

SUNSHINE COAST SISTER CITIES ASSOCIATION RECEIVES GRANT OBTAINED BY NISER

We were very impressed with the service that both you Charles and Mimi at NISER (Noosa Institute for Socio-Economic & Environmental research) have provided in completing the grant application for Sunshine Coast Sister Cities Association to support multi-cultural workshops on the Sunshine Coast in 2012.

I felt confident that we had a good working relationship, and your attitude was very professional and our association would be pleased to recommend your service to other community organisations in the future.

Yours truly,
